## ABOUT ARTS

**Africa Roads Transport Services (ARTS)** provides transport and logistical services to blue-chip players in various industries, including Agriculture, Construction, FMCG, Packaging, Paper, Steel and Wine & Spirits.

**ARTS** manages short- and long-term distribution strategies through sustainable solutions. Their focus lies in delivering an exceptional customer service experience across the **ARTS** areas of specialisation. **ARTS** is designed and operates on the principle of a logistics network and solution that is asset-light, which overcomes asset turnover and working capital challenges.

Since opening its doors in 2003, **ARTS** has shown consistent growth. This is a direct result of the cost effectiveness and flexibility of their services and the reliability of their experience, service offering, solutions, and partners.

## ARTS COMMITMENT TO SERVICE

Driven by loyalty, integrity, and respect, enables **ARTS** to link solutions to challenges and helps them become an ingrained part of the supply chain processes and as an asset-light logistics specialist. They work hand in hand with the supply chain and focus on their needs rather than being side-tracked by asset turnover.

Within their transport service offering, they have a Southern African footprint through which they execute bulk and break bulk consignments.

## THE POWER OF ARTS

Through their commitment to improving the lives of young South Africans, **ARTS** has sponsored six learners through their learnership with **Signa Academy**. They have helped these individuals learn new skills and further their lives with knowledge development. **ARTS** has had a tremendous impact on their lives as they look forward to emerging into the workforce and many of the learners have expressed a desire to learn even more and grab every opportunity that becomes available to them. **ARTS** sponsorship has helped these people go on to make an impact in their own communities, as a result continuing the momentum that is the **Power of One**.

## ARTS COMMITMENT TO SKILLS DEVELOPMENT

As a company, **ARTS** addresses weaknesses in efforts to increase innovation, productivity, quality, and consistency, including reducing employee turnover. They identify and encourage areas of skills development, career development and the emerging development of new career paths. As a result, there is an improvement in employment performance with a visible rise in job satisfaction and company morale.

## LEARNER STORIES

### MEET FAATIMAH

“**Signa Academy** has made me aware of many aspects of life and taught me a lot about project management.” These are the words of Faatimah Parker, who has participated in a learnership with **Signa Academy** and has obtained her qualification in Project Management through the sponsorship of **ARTS**. The driven young lady has taken the opportunity to learn about the field, and her life has since changed for the better.

Faatimah plans to go and study further and gain more knowledge in the project management field, which she found herself loving so much. She advises her fellow peers “to keep on studying and go further in life and to always keep working hard.” She now looks forward to making a positive contribution to the lives of her family and community.

### MEET ZIMKHITHA

“Believe in yourself, and don’t let other people discourage you in whatever you seek to achieve.” Zimkhitha boldly made this statement when asked about her journey through her Project Management NQF 4 learnership at **Signa Academy**, under sponsorship with **ARTS**.

She has used her new skills to add to her career plans and wishes to gain as much knowledge as possible.

Through the **Power of One** Zimkhitha can contribute to her family’s basic needs and the country’s ailing economy. She advises her peers to “keep pushing and remain focused” on their dreams and careers.

### MEET SULAYMAN

“You can make it happen! Stay focused and be motivated.” Sulayman had this say after participating in a Project Management NQF 4 learnership at **Signa Academy** under **ARTS** sponsorship. He has used the experience to become wiser and has gotten to learn how to run a project as well as a business.

Through the **Power of One**, Sulayman finds himself in a position where he can not only take care of himself, but help members of his family financially while also informing other unemployed youth about the opportunities that **Signa** provides to combat the rife scourge of employment in South Africa.

## MORE LEARNER STORIES

### MEET TAMRIN

"Every day is a step closer to where you want to be." These are the wise words of young Tamrin who is currently undertaking a Project Management NQF 4 learnership at **Signa Academy** through **ARTS** sponsorship. Highly driven and self-motivated, Tamrin did not let unemployment and sitting at home stop her from seeking new prospects.

With the knowledge she has gained from the learnership, she plans to seek out similar opportunities that **Signa** has to offer to help her grow and land her a good position in a big company soon. She advises others to "never give up on what you seek to accomplish and you should always remember that having faith is key to everything you wish to achieve."

### MEET IMTIYAAZ

"Always work hard because that is the only way to move forward." This is the advice of Imtiyaaz, while doing voluntary work, learnt through a friend about the Project management NQF 4 Learnership at **Signa Academy** and because of being a sponsored learner of **ARTS**.

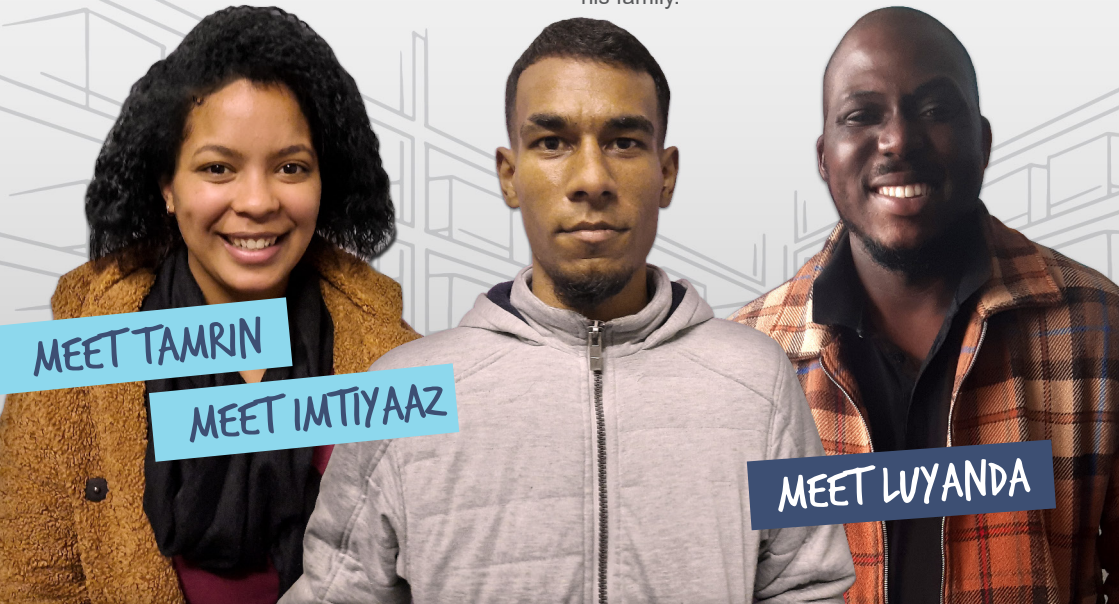

He has grown through his journey on the learnership and now understand what the field of work is about.

Imtiyaaz says he plans to gain more knowledge in Project Management and work harder to achieve his goals. Through the **Power of One**, Imtiyaaz says he will use his knowledge to one day empower others just like his friend did when he informed him about the learnership.

### MEET LUYANDA

"Invest in yourself!" Luyanda, a bold, confident, and enthusiastic gentleman affirmed when asked about what advice he would like to share with others. He grabbed the opportunity to participate in a Project Management NQF 4 learnership with **Signa Academy** through the sponsorship of **ARTS** and plans to seek similar opportunities to further his life.

Through the **Power of One**, Luyanda will use his qualification to earn a suitable job, inspire others about project management, and also be able to make positive contributions within his family.

A photograph of three young adults standing side-by-side against a background of faint architectural line drawings. On the left is a woman with dark curly hair, smiling, wearing a brown textured jacket. In the center is a man with short dark hair, looking directly at the camera, wearing a grey zip-up hoodie. On the right is a man with a shaved head and a goatee, smiling, wearing an orange and black plaid jacket. Overlaid on the bottom of the photo are three blue speech bubble-like boxes with white text identifying each person.
